FEATURES

Bold Graphics & Dual-Tone Colour

Make every ride a style statement with stunning Dual-Tone Colour schemes, dynamic graphics and a brand new look. The all-new Honda DIO 125 is designed to make heads turn.

Headlamp & Split LED Position Lamp

Flaunt your bold and sporty style with the Headlamp and split LED Position Lamp that truly light up the way, no matter where you dare to go.

Sporty Tail Light

The whole world will watch you go with a Sporty Tail Light that leaves an impression, even after you leave.

Dual-Tip Muffler

Make some noise whenever you go with a powerful muffler sound from the Dual-Tip Muffler that announces your arrival.

Intelligent Meter

The all-new DIO 125 has a mind of its own with an Intelligent Meter that tracks Real-Time Mileage, Average Mileage and Distance To Empty, so you have one less thing to worry about.

PGM-FI System

Our sensor-based PGM-FI System constantly injects optimum fuel with air for efficient combustion that gives you consistent power output and more mileage.

Silent Start with ACG

The all-new Honda DIO 125 is your partner in stealth with an ACG Starter that silently starts the engine by removing gear meshing noise and what's more, it even reduces engine maintenance.

Idling Stop System

The Honda DIO 125 fuels your fun, without burning extra fuel. Its Idling Stop System automatically switches off the engine at quick stops like traffic lights. To start the engine again, just twist the throttle and you're ready to go!

Smart Key

It's time to have fun the smart way with the Smart Key that has H-Smart Technology so that you can enjoy features like Smart Start, Smart Find, Smart Unlock, and Smart Start.

Side Stand Engine Cut Off*

The cutting-edge tech in Honda DIO 125 never fails to turn off the engine while the Side Stand is in use. Safe. Isn't it?

External Fuel Lid

Refuel your DIO 125 without ever getting off the seat with the External Fuel Lid.

Front Glove Box

Not just the essentials, keep a whole lot more in the DIO 125's Front Glove Box that is now more spacious than ever.

Integrated Pass Switch

With our extraordinary Passing Switch, you can pass signals on a low/high beam while riding and own the road the way you were meant to.

Under-Seat Storage

Carry your world with you in the Under-Seat Storage that gives you enough and more space to store whatever you need for your bold new trials.
